

SEATTLE 128 M²

YOUR DREAM, OUR PASSION

"Do you want to have a (holiday) home built by a company that masters craftsmanship to perfection? Living Solutions is the company for sustainable light steel framing "prefab" solutions in the Caribbean, with Curaçao as its home base.

All our homes are delivered turn-key (including bathroom and kitchen). So, you only need to bring your furniture and clothes to start enjoying your dream home.

Building doesn't have to be a headache and worry project; we take care of our customers by offering affordable and fixed-price turn-key homes that can be realized in a few weeks."

to work with you!*

About the home...

Description

The prefab home Seattle is our latest addition. A beautiful 2-story residence with the living area on the ground floor and the bedrooms and bathroom on the upper floor.

The house features 2 balconies with a total floor area of 128m².

It is also optionally possible to upgrade the Seattle to 2 independent apartments, which you can use for holiday or long-term rental.
