10 business participants of the business mission:

#	Name of the company	Director	Number of employees	EDRPOU CODE	DESCRIPTION OF THE ACTIVITIES	WEB SITE
1.	Bartkiv B.M. (TM "Mih Chai"),	Bartkiv Bohdan	5	3232706873	Since 2014, we have been producing and selling Carpathian herbal, berry and fermented teas. Our products are completely natural, we do not use any flavors, colors or flavor enhancers, only natural herbs and berries that grow in the wild forests of the Carpathian region. We popularize the culture of consuming healthy, natural drinks that help cleanse the body and strengthen the immune system. Our products have a beneficial effect for both the body and the soul, because each of our packages is handmade, reminding us of the natural origin and authenticity of the Carpathian region..	https://mix-chayu.com.ua/
2.	GUSHKA.wool,	Natalia Stavnycha	7	3249502740	Gushka is a Ukrainian woolen goods workshop. Our production facility is located in the mountainous town of Kosiv, Ivano-Frankivsk region. Gushka is an attempt to preserve, rethink, and touch traditions.	https://gushka.ua/uk-ua/
3.	"DOVIDKA DLIA LYUDEY" LTD.	Roman Fursa	5	39121229	Exclusive handmade jewelry made of natural stones by Fursa Fashion TM We produce jewelry made of natural stones in the Ukrainian (and not only Ukrainian) market. Designers work with more than fifty types of stones, creating incredible collections for women and men. Over the years, we have been actively developing the infrastructure of our store network. Our designer products are actively sold outside Ukraine - in Poland, Italy, Spain, and the USA. Fursa Fashion offers products made of natural stones. Necklaces, rings, earrings, necklaces and bracelets. In our stores, we have selected products using more than 50 types of stones. We are always open to new opportunities and cooperation. Wholesale sales on favorable terms.	www.fursa-fashion.com.ua https://www.facebook.com/samotsvity.if.ua
4.	Agroecotechnology Farm	Natalia Romanenko	12	32051868	Agroecotechnologies Farm is located in the ecologically clean region of the Dniester Canyon. The main activity is the drying of agricultural products, production of natural chips, dried berries, fruits and vegetables, and powders from them. The drying process is based on innovative infrared technology. This allows us to preserve all the nutrients in the product. The company has implemented HACCP and is ISO22000 and Organic Standard certified.	https://agroecotechnology.com/

5.	Bevzun	Dmytro Korol	6	2704103542	The Bevzun company is engaged in the manufacture of solid wood furniture. Our main task is to provide quality products for our customers. We produce furniture for bedrooms, living rooms, guest rooms and hallways. Currently, our company occupies more than 5000 m2 of production space, with additional warehouses, drying rooms, offices and infrastructure, and covers more than 1 hectare of land. Our production is equipped with modern machines from well-known companies such as Felder, Weinig, Katres, ELBH and this advanced equipment guarantees us the highest quality. In addition, we have implemented a closed production cycle, which allows us to control the quality of our products at every stage, from the selection of wood to the finished product. We are so confident in the quality of our products that we provide a 50-year warranty on the body of our furniture.	www.bevzun.com.ua
6.	TM Goydalka	Gogol Ilia	22	3491214297	Production of wooden furniture and toys for children from environmentally friendly raw materials - beech. GOYDALKA is a family business.
