

CERTIFICATE COURSE

SDGs: Global Goals & Local Action

Learning through Successful
Pakistani⁺
Case Studies

Certificate Course for
Post-Graduate Students, faculty &
Development Professionals
16-20 September 2024

I N T R O D U C T I O N:

The Anthropology Department of Quaid-i-Azam University, Islamabad, Pakistan, in collaboration with two Canadian organizations, The Knowledge Executive (TKE) and Development Impact Solutions (DIS), offer a short certificate course on the United Nations' Sustainable Development Goals (SDGs). This hybrid (in person and online) course has 12 hours of contact time spread over five days – 16-20 September 2024.

WHAT:

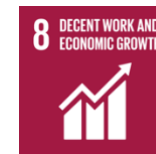

- The "Global Goals & Local Action: Learning through Successful Pakistani Case Studies" has been designed to provide deeper insight into the social, business, and technical models to achieve the United Nations' Sustainable Development Goals.
- The interactive sessions will enable the course participants to demystify UN SDGs as they go through the local case studies that have proved successful in unleashing the potential of local actors.

WHO:

- We have designed this course for post-graduate students and faculty at distinguished partner universities in Pakistan.
- The development professional who has started their career will also benefit immensely from this training course.

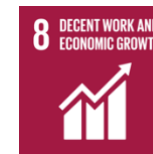

WHY:

- The course will give a jumpstart to pursuing a rewarding career in the development sector both in Pakistan and internationally
- The deeper understanding gained through this course will enable participants to think globally and act locally and vice versa.
- The course will contribute towards your profile to become a sought-after professional.

F A C U L T Y

Robertson Work

- Robertson Work is an ecological-social activist and former UNDP policy advisor with extensive experience in global development. He was instrumental in the development of the Millennium Development Goals (MDGs) and Sustainable Development Goals (SDGs), bringing over 15 years of expertise at UNDP. Robertson designed and coordinated global initiatives, including the Decentralized Governance Programme, which advanced sustainable human development and innovative leadership in 55 countries.

Fayyaz Baqir

- Fayyaz Baqir is a member of the Harvard Business Review Advisory Council and a visiting professor at the University of Ottawa's School of International Development and Global Studies. He has served as an O'Brien Fellow at McGill University and as a visiting scholar at European universities. His work focuses on participatory development, human rights, aid effectiveness, poverty alleviation, and social accountability. Baqir co-designed and taught courses on Justice, Peace, and Social Change at Georgetown and Harvard.

Dr. Saba Gul

- Saba Gul Khattak holds a PhD in Political Science and a Masters in International Relations. An independent researcher, she has previously worked in senior positions at the Planning Commission of Pakistan, the World Bank, and as Executive Director of the Sustainable Development Policy Institute (SDPI), Islamabad. Her research and policy work focuses on the intersections of gender, governance, structural and direct violence with an emphasis on synergies across economic and social policies. She has published widely in journals and books.

Dongline Li

- Donglin Li is an accomplished international development professional with over two decades of experience at the International Labour Organization (ILO). He served as the ILO Liaison Officer in Myanmar from 2019 until his retirement in 2023. Previously, he held leadership roles in Fiji, Sri Lanka, Maldives, and Pakistan, where his contributions earned him prestigious awards, including Pakistan's highest Presidential Award and the ILO Director-General's Leadership Award. Li holds an MBA from Heriot-Watt University, UK.

Salma Jafar

- Salma Jafar brings 23 years of experience in the development sector, working across Pakistan in Education, Child Rights and Gender Equity and Inclusion. Salma has worked with UNICEF, the World Bank, Save the Children, and ILO senior positions. For the last 13 years, Salma has been freelancing as a technical advisor, research and training with the UN system and other international development partners. She has a master's in Eng Litt from UOB where she also taught for many years and in Applied Linguistics from Aston University UK. .

Dr. Jennifer Bennett

- Dr. Bennett is a devoted social service and development professional with a thematic background in human rights, gender equality, social and community development, strategy, policy, research, and project/program development expertise. Bennett has authored numerous articles, research papers, policy papers and analytical reports. She continues to serve as a human rights activist, and her work reflects well in her contribution to critical issues related to the political economy of human development, the minorities and marginalized groups' rights.

Dr. Saifullah Chaudhry

- Saifullah Chaudhry holds a Doctorate in Anthropology from Quaid-i-Azam University, Islamabad, and a Master's from the London School of Economics, UK, as a Chevening Scholar. He has worked with the International Labour Organization, USAID, and Plan International Canada, guiding projects across Asia, Africa, and Latin America. He has conducted multi country research focusing on gender, Decent Work, skills training, and migration.

Dr. Faisal Shaheen

- Dr Faisal Haq Shaheen is a Manager in Toronto's Water Division, with expertise in policy studies, sustainability, and environmental technology. He has worked with leading organizations like the UN and World Bank, and serves as a lecturer at Toronto Metropolitan University.
